# MARAMING FILIPINO ANG NASA SOCIAL MEDIA

Filipinos spend 11 hours a day online, with four hours spent on social media, the default news source for 72% of Filipinos in 2021.

116.5 million total population in January 2023.  
85.16 million are internet users. 72.5% of the total population are active social media users.

As of January 2023, Filipinos **now rank fourth in terms of time spent on social media**, but are among the **most ardent consumers of vlogging content and video games**, ( with 55.6% of Philippine internet users aged 16 to 64 watching vlogs daily.)

## ANO ANG IBIG SABIHIN NITO?

- Global ang naabot ng mga posts sa social media
- Lahat may access sa social media at pwedeng magpost [kahit hindi naman totoo ang nilalagay nila]

# Sa panahong digital, kahit sino pwede mag-post online

With social media, content consumers are now content creators too.  
Your audience is the world.

Let's **FACT CHECK** #184

May mga nasaktan at abuso noong panahon ng administrasyon ni Ferdinand Marcos Sr. pero hindi niya ito ginusto o iniutos.

(Sen. Imee Marcos, 12 June 2022)

**RATING: FALSE!**

Iisa lamang ang pakay ng mga ganitong pahayag: burah pagkakasala ni Marcos Sr. sa malawakang human rights noong Batas Militar. Bilang Pangulo ng bansa, Commander-abogado, alam ni Marcos Sr. ang magiging implikasyon ng pang Batas Militar at paggamit sa militar upang dakpin at iku mga aktibista na pinagsususpetyahang mga komunista. M Proclamation no. 1081 ang landas na tinahak ng rehimen upang "gapin" ang inimbentong dahilan na may insurgency komunista. Malinaw rin na kinitil ang mga karapatang pag nagdulot ng tortur at pagpatay sa mga aktibista, mga miy political opposition, at midya.
